

Enrollment Information

The current student families' placement will conclude the morning of Thursday 2/6/2025. Applications can be submitted any time prior to the open house on Sunday 2/9/2025 by emailing to TheAcademy@beONEChurch.com. As applications arrive, they will be time/date stamped. (Placement for students submitted for the 2025-26 enrollment form will start to be contacted by email with confirmation of space available by Friday 2/7 at noon on an invoice for payment to be made for enrollment fees.) The class spot will be held 24 hours from the time the email is sent before the slot is released to another student on the waitlist. Families with more than one student will receive a 20% discount for each additional student.

Enrollment and curriculum/technology fees do not include the first month's tuition (For August) that will be due on July 5th. If the August tuition is not received in the office by July 5th, your student will be dropped from the Fall enrollment, and a spot will be made available for another student. The remaining yearly tuition is divided into 9 remaining monthly payments and is due on the 5th day of each month beginning on September 5th. We ask that parents give 30-days' notice when withdrawing their student(s). Students leaving for 30 days or longer will be withdrawn automatically unless tuition is paid for the time the student is away. Tuition will become late 10 days after the first day of the month.

All registered students will need:

A book bag large enough to hold an 8x12 folder.

Certificate of Immunization (Form 3231 is required by law) is due on the first day of school.

Comfortable, easily manageable clothes and shoes.

Diapers and wipes.

Daily snack and/or lunch, water bottle.

We follow the Fayette County School calendar and are closed any time Fayette County Schools are not in session, with just a few exceptions. Exceptions will be noted in the yearly calendar in the Parent Handbook and will be updated monthly in the monthly calendar and newsletter.

The Academy operates 160 days in the school year. Five of those days may be used for Health Department guidelines or inclement weather, as necessary.

At The Academy, we believe that each child is unique, and we look forward to partnering with you in the spiritual, social, and educational growth of your child.
